Donald, Daniel,

Attached are our oppositions to your two Daubert motions. I am having difficulty filing them by ECF. I think the problems is that my Adobe is not working so I am using regular PDF format to convert, and the court's new ECF protocols won't let it through. It used to not be a problem, but I think they have changed the protocols.

I will work this out over the weekend and file Sunday or Monday (tomorrow is Yom Kippur). I will explain to the court the delay in the filing, but I want to make sure you have everything on time.

Please note that Exhibit A to the Somal opposition is Schedule A to his report, which you have.

Regards,

Oleg Rivkin
